THE 1978 MILESTONE

Yearbook of

GOVERNOR DUMMER ACADEMY

BYFIELD, MASSACHUSETTS

DEDICATION

A Princeton graduate joined the Governor Dummer faculty in January 1949. Except for a brief stint of military service during the Korean War, he has been establishing an enviable record as teacher, coach and dormitory master ever since. Few teachers in the history of the school command the kind of respect and loyal love that his former students and athletes exhibit.

For many individuals, students and faculty alike, he is an enigma. Given his deep gruff voice and his demanding teaching, coaching, they are likely to find him an awesome, often frightening figure. But for any who have been fortunate enough to have him in Math class, play for a team he coaches, or live in his dormitory, they have found him to be one of the most concerned, gentlest people here at school. Once a student initiates the first step in getting extra help, there will be no stone left unturned.

One of the keys to his success is that he knows his subject - be it math, wrestling, or lacrosse - with a thoroughness seldom achieved; he is a living example of the cliche, "he wrote the book." Yet he is a diverse person. Many know of his interest in Springer Spaniels, but few people realize he is an authority on childrens' books and a white-water expedition canoeist of legendary stature in the northern woods of Canada.

With many thanks for his great diverse contribution to Governor Dummer Academy, the Senior Class respectfully dedicates the 1978 *Milestone* to:

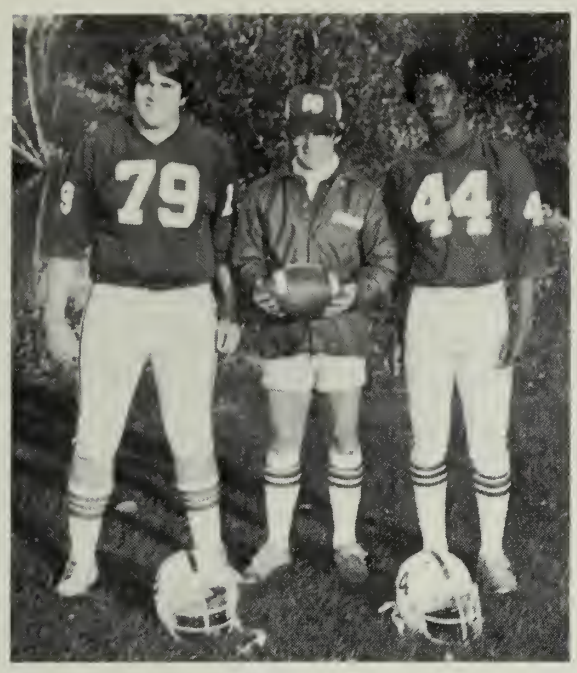
VARSITY FOOTBALL

ITALICS DENOTE VARSITY LETTERMEN - FIRST ROW: R. Cornwall, *Anderson, Clark, Goodhart,* co-captain *Driscoll,* co-cpatian *Suggs, McDowell, B. Bowditch, Fulton, Willard.* SECOND ROW: Coach Rybicki, Coach Mechem, Ev. Jones, Tamposi, O'Keefe, *Linn, Shea, M. Stephan, Spears,* Thomas, *Lindsay, Garnett, L. Whitten,* Kawamura, Marvin, Coach Harrington, Coach Beckett. THIRD ROW: Schipani, Theriault, R. Whitten, *S. Miller, C. Cornwall, Tr. Dagres, Ronan,* P. Morais, LeMaitre, M. Palis, Lovejoy, Starr, Tomlinson.

The varsity football team repeated its 3 - 4 record of a year ago, but this year's team was more successful. It was essentially a new team beginning with first-year head coach, Ed Rybicki. Although small physicaly, he possesses, as the team quickly learned, a heart much bigger than his body. Coach Rybicki, who was ably aided by assistants Beckett, Harrington, Mechem, and Radoccia, installed a new offense and defense along with such memorable drills as "Perfect Play."

A solid nucleus of senior lettermen led by co-captains Tom Driscoll and Ike Suggs along with Scott Anderson, Herzel Fulton, and Rick Willard led the team through reinitiation of double sessions, beginning early one Saturday morning, three days before school opened. Three impressive scrimmage victories over Exeter, Lawarence, and Middlesex led to great expectations for a winning season.

High hopes and spirits, along with the new pirate mascot, were dashed in a 38-6 loss to St. Sebastians - a game marred by the excessive number of major penalties called. Following a spirited week of practice, the team regrouped for a 26-10 victory at B-B & N, highlighted by Andy Linn establishing a new school rushing record. Needless to say, the offensive line, centered by Brad Clark with Bruce Lindsay and Tom Driscoll along with tight-end Troy Dagres on the strong side and Chuck McDowell and Jeff Garnett on the weak side, was outstanding.



A disappointing trip to Thayer for a battle in the mud saw the Governors return with a 26-6 defeat. One bright spot shining through the muck was the return of end Bo Bowditch to the program after not joining the team until the second week of the season. A discouraging 6-0 loss to Brooks on Parents' Day saw tailback Linn lost for season with a broken arm. Monster Scott Anderson played with no casst on his broken hand.

Serious soul-searching by the team followed the Brooks loss, and they attacked their "new season" with renewed vigor and unity. Groton was the first victim as the Governors demolished the zebra-shirts 34-18. Highlights included Herzel Fulton's two touchdown receptions, the first on a half-back pass to open the game, and Jim Goodhart, arriving late as usual, shattering Linn's record with his 285 yard, three touchdown performance. Goodhart ran behind the awesome blocking of fullback Derek Spears, the MVP as chosen by the team, and the offensive line. Noseguard Rick Willard scared the "daylights" out of the Groton quarterback, blasting into the backfield on nearly every play. An outstanding defensive performance highlighted the 6-0 defeat of St. Mark's as the team closed their home season. These two victories were especially gratifying for the seniors as the Governors had not defeated either squad in the last four years.

The team closed the season in a heartening game at Belmont Hill. Although they lost 27-12, the score was 14-12 until well into the fourth quarter. The passing connection of Chris Shea to wingback Todd Dagres clicked for their second "bomb" of the season, the first coming against St. Sebastians, making Dagres the only player in the ISL to score against both of the league co-champions. Belmont Hill, who went unbeaten, admitted after the game that the Governors were by far their toughest opponent.

This year's team differed from previous years in that was a team. Lacking an individual star, they pulled together to win respect throughout the league, something that has been lacking in recent years. This respect was demonstrated by the numerous all-league choices, notably first-teamers Tom Driscoll and Herzel Fulton.

Although they just missed their winning season, the seniors believe that they have established a solid foundation for the talented underclassmen, led by co-captains Linn and Garnett. Get that winning season!

Heart failure was a common occurrence among players, coaches and fans of this year's varsity soccer team. More than half of the games ended with a difference of a goal or less, Milton was beaten with three seconds left in the game, and four games went into overtime, with GDA losing only once. An even spread of talent contributed to the team's exciting play, and this left few players to warm the bench, in contrast with previous seasons.

Injuries hurt the team early, but another able body was always ready to play. Starting fullback Andy Stephenson tore some ligaments in the memorial ditch against Andover, but converted fullback Tom Rourke replaced him and played commendably for the remainder of the season. Lack of size also limited team play, but this resulted in an improved short passing game. With such giants as Amir Ahari, Steve Perry, Greg Kaknes and Luke White in the game at the same time, the ball had to stay on the ground or was headed away by the opposing team.

These same "shorties" also provided most of the offensive punch of the team, led by Amir Ahari,and Steve Perry with five goals each. Varsity soccer was shut-out only twice during the season, a tribute to the quick inside work of the line and the booming crosses and long shots of Drew Jones, Tom Ostheimer and Curt Metzger.

The defense, anchored by captain and first team all-league fullback Jim Slater and MVP goalkeeper Geoff Wall, kept the team close throughout the year. After the Exeter game, the defense let in an average of less than two goals a game, a fine achievement considering that half of those games were played at home on a field of reclaimed marsh, which the marsh reclaimed early in the season. Navins Cup winner Scott Pope kept the team's spirit up throughout the wet season and contributed despite his Cobb Room injury.

Excitement, balance and mud characterized this year's varsity soccer team, not to mention the stereo during practice and post-practice dips in the field. With two starting fullbacks, a halfback line and some crazy Persians returning, coaches Clunie and Harlow and captain Dave Smith are wished more of the same for next year.

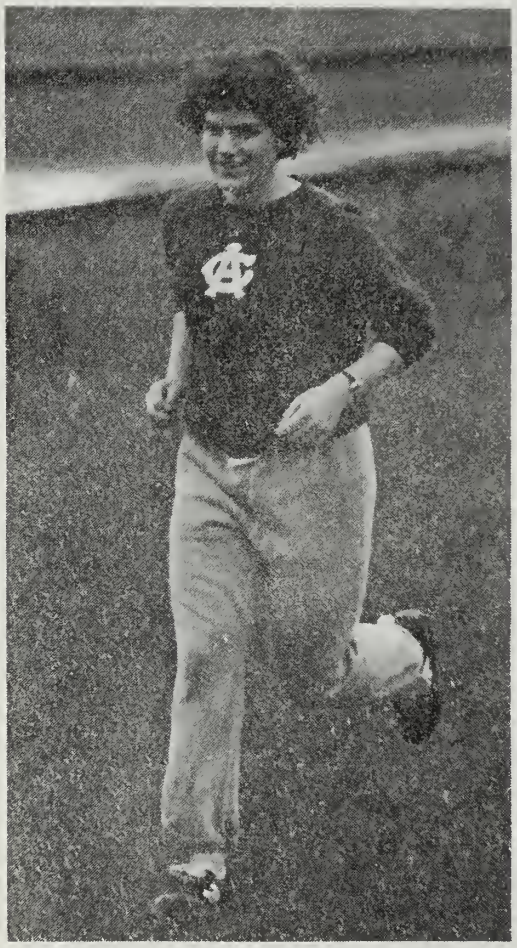
CROSS COUNTRY



1977 was a memorable year for the Varsity Cross Country Team. The performance which will be remembered is not the dismal 1-12 won-lost record but what is recorded in the hearts and minds of this year's runners; that is, a season of constant adversity and ultimate triumph.

It was not easy to take it in the teeth every meet after the opening victory over St. Sebastian's. But throughout the season occurred a process of growth and maturation. By the Parents' Days meet against Milton, the team had overcome a shaky start, and the chronic complaints about aches and pains and the long, tough practices had mostly died out. But it was in the last three meets that the excellent enthusiasm, personal achievements, and team unity were finally displayed, giving the fiber to this season and honor to the runners.

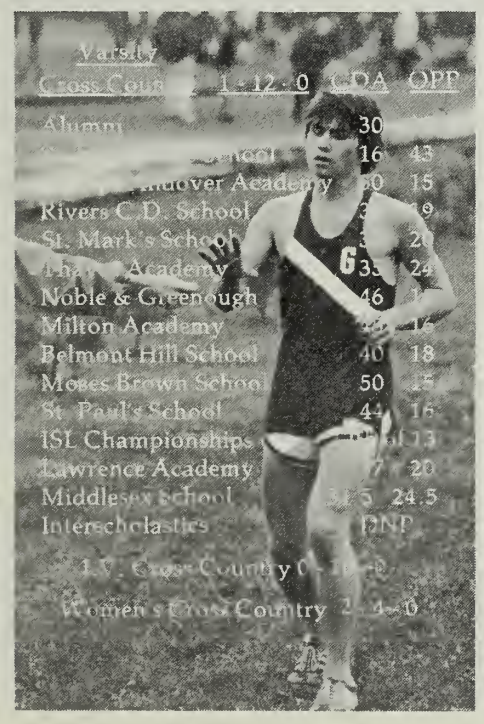
Putnam*, *Kalhori*, Lacey, Davis, Coach Foster. THIRD ROW: J. Voelker, *Barnes*, Reichter, J. Montealegre, Ryan, *Diehl*.



Senior co-captain M. Phillip Graham was the team's number one runner and led the team in spirit and enthusiasm. He was followed very closely by tall newcomer Russel Cushman, who remained the team's solid second runner, although occasionally injured. Co-captain Hank Rosen and his Marblehead buddy, Jeff Hatfield, were the consistent third and fourth members of the squad. Together with Russel, they should form a strong, veteran nucleus for next year's team. Battling continually for fifth position were seniors Doug Beattie and "Buffalo" Bob Barnes and Mauricio Daher, the "crazy Brazilian."

One of the strongest aspects of this year's team was the first Varsity Girls' Team ever. Bolstered by the Putnam sisters, co-captain elect Sarah, Claire, and Gretchen, and Neda Kalhori, and senior Nancy Murray, the girls had a superb 2-2 record and finished second in the I.S.L. Championship, in which Claire won the fifth place trophy. They gave the team an impeccable example of confident maturity and spirit.

Thanks to them, the boys, and our ever-faithful leader, Coach White, the 1977 Cross Country season may be remembered as a rewarding and fulfilling experience.

The few faithful followers of the girls' varsity soccer team were rewarded with many hard-fought games by an exciting team. The second game of the season showed the girls that they had the fire power. This year's MVP, Linda Miller, scored the first goal of a string of eleven in that game with Cushing Academy. At B-B & N, two games later, the defense, led by freshman goalie Sue Perry, played one of its best games, allowing only one goal, despite many chances by the B-B & N team.

One of the high points of this year's season was the loss to St. Pauls. It was a tough game to lose, but out young team proved to their well-established team that G.D.A. is not an easy team to beat. Joli Foucher's goal scared them, and they found it difficult to come back and win in overtime. The other high point was the 5-0 win over Worcester Academy.

After last year's battles and this year's loss against them in the first game, everyone was ready for a win. Captains Woodbury and Roorbach prepared the team in many ways, Abby supplied the pep talks and the tootsie rolls, and Gretchen made the notorious sign WIPE OUT WORCESTER!, which may still be hanging on La Factorie. *Something* worked! Lisa Sapuppo found the right range and knocked in four goals, two of them with her head, a new and novel experience for girl's soccer. The passing in the front line was at its best, mainly because of the switching of Gretchen and Wendy Silin. Another part that clicked for the Governors was the play of the fullbacks. Kim Saunders, Wendy Bixby, and Sue Potter all played outstanding games. They were aided by an upcomer from the J.V., Karen Nault, who also gave the team its pre-game cheer. Sue Potter added to the offense with one of her booming drives from midfield, which ended up in the corner of the net. Patty Milligan, the only senior starter on the team, also kept up her steady playing from right half. Another reason for this year's success was the solid substitution core of the team. Nancy Merrill was the handyman in this respect, playing in both forward and halfback lines.

To their stalwart coaches, Mr. Leith and Ms. Krall, who led them through many disappointing games and pushed them to win the next one, the players would like to express their thanks. It was a great season.

VARSITY FIELD HOCKEY

With only three returning varsity players from last year's team, this year's team had a lot of work cut out for it from the start. Many of the girls had never played together as a unit, and few had ever played varsity level hockey before the season. The team experimented with a link system of play, in which there were four forwards, two links, three halfbacks, a sweeper and a goalie. Through this system and Miss Clark's instruction, the squad developed into an aggresive defensive team, but it lacked the drive to score.

In the first game against Georgetown, the team battled to a 1-1 tie, giving up its victory in the last minutes of the game. This pattern seemed to take root as the girls then lost to a powerful St. Georges team in their second game, 1-0, with only seconds left on the clock. A highpoint in the season was the tie agianst Phillips Andover, 0-0, in overtime. Although the girls were unable to score, they were determined to prevent their opponents from scoring either. The season culminated in the 7-0 victory over Cushing Academy in the last game. The team viewed this as a preview for next year's play, and the win gave the team a needed boost after coming up with defeat after defeat in scoreless games for G.D.A.

ALL LETTER WINNERS - FIRST ROW: Duff, Malloy, tri-captain Webb, tri-captain Moseley, tri-captain Baker, Kurtz, Roome. SECOND ROW: Coach Clark, B. Jones, Blake, J. Stephan, Tye, Lynch, Lee, Coffin, Perkins.

Miss Clark stressed skillful stickwork as a necessity for playing truly competitive hockey, and the girls worked towards this goal throughout the season. Improvement was evident in the team's play at the end of the season as it began to learn to play together as a team and put the ball in the goal. The three returning players from last year were Pam Webb, captain and the team's fearless leader, co-captain Debbie Baker, an aggressive, determined player, and co-captain Alice Moseley, a superb goalie and this year's MVP.

Moving up from the JV and third teams were Martha Blake at left inside, Kathy Coffin, who plaed virtually every position, Beth Jones, another versitile player, Pam Kurtz and Laura Roome as sweepers, Felicia Lynch, playing a link position, Johanna Stephen and Julia Malloy at the wings, and Randy Tye at halfback. New to the G.D.A. scene, but not to field hockey, where Julie Duff, Heather Perkins and Sally Lee. Three of the players, Pam Webb, Alice Mosely and Julia Malloy will be graduating in the spring. The team will surely miss them, but hopes are high for the success of next year's team.

VARSITY VOLLEYBALL

ALL LETTER WINNERS - FIRST ROW: Sappupo, Saunders, captain M. Miller, A. Heffron, E. Evans. SECOND ROW: Lee, Woodbury, Coach Clark.

The women's volleyball team had an excellent second season this winter. It won its first six matches and lost its last two. Compared to the team's winless first season last year, this year's record indicates a significant improvement. This achievement may be attributed to many factors: the players' experience, the coach's experience, the sincere practices and the new setting techniques. The girls are confident that these factors will continue next year.

The team commenced its season by travelling to Dana Hall and winning. In volleyball the teams play the best out of three games. G.D.A. beat Dana Hall two games to one using its new setting method for the first time. Abby Woodbury and Kim Saunders were the setters for the team, and coach Clark felt that having one of these girls at the net at all times would be beneficial. Indeed, the two setters proved this strategy to be quite effective and consequently the team made use of it during the entire season. The next match was at "home" against Lawrence Academy..."home" because all home games are played at the Newbury Elementary School.

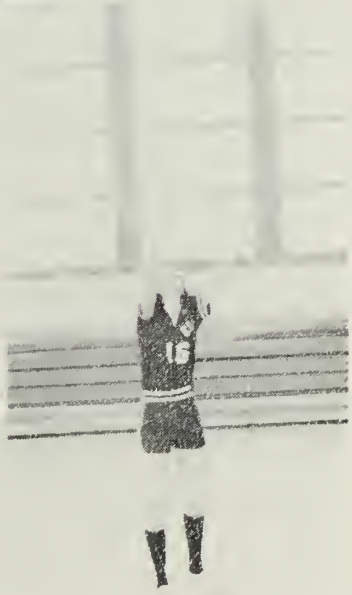
The opponents were good, but with the majority of last year's squad along with new member Liz Evans, G.D.A. won the match easily. Liz's serve is an accurate and powerful overhand, which is an extremely useful weapon. The next game was away at B-B & N featuring the closest score all season. A nerve-wracking 14-14 game made everyone edgey, but Tina Heffron managed to concentrate enough on her serve to end the final and deciding game 16-14, G.D.A. the victor. Tina is a senior whose skills will greatly be missed next season. The next match was away at Pingree. The conditions were far less than perfect; the floor was "unslideable," the official was not very good, and the crowd was rude, but despite these hindrances, newcomer Sally Lee made tremendous use of her fantastic serving ability to serve 26 of G.D.A.'s 42 total points. Needless to say, the Governors won the match with thanks to Sal, who continued to play with the varsity for the rest of the season. The next match was "home" against B-B & N, G.D.A. beat them for the second time. Senior captain and MVP Meredith Miller had an excellent match this day. Meredith's serve is the most powerful on the entire team, her setting precise and her bump accurate. Our team will certainly feel incomplete next year without Meredith.



The next match was "home" against Pingree. G.D.A. beat them easily two games to zero. Lisa Sappupo, a junior, whose skills in all areas of volleyball are excellent, played exceptionally well against Pingree. Lisa's skills are probably the most well-rounded of all, a great advantage considering volleyball's rotation. The last two games accounted for G.D.A.'s two losses. Lawrence Academy defeated G.D.A. as did a superb Milton squad.

Everyone, players, coach and spectators alike, is optimistic for an undefeated season next year.

This year's girls basketball teams deserve a lot of credit. Starting from nothing but players with potential in November, Coach Gosselin and hard work from the girls produced fine basketball teams at both the varsity and junior varsity levels. Mention must be made of the terrific play of the junior varsity team. Having only two returning players, the team succeeded in ending the schedule with an 8 -3 record.

When the season began, Coach Gosselin was quoted as saying that this was a building year for the varsity team. At this time neither he nor the team could have imagined that the girls would do as well as they did. Losing four starters from the season before, the team seemed to lack the experience of playing as a unit, but the girls had the desire to shape into a team which they could be proud to play for, and this they did. A long season seemed ahead when they were overpowered by a strong Exeter team in their first performance, but better times awaited them in the future. The highlight of the season, as was the case last year, was the St. Paul's game, but the outcome was different and in the favor of GDA.

The team was behind by ten at the half and it knew it either had to make its move or accept another defeat to the Paulies. The team chose the former and went out to battle in the second half. With minutes remaining in the game Sue Perry tied the game 48-48, and seconds later the game was won with a basket by Randy Tye. This sort of play typified the team. The girls would play a rather unimpressive first half and then come back in the second half to win. The team was not one to give up, and each girl played her hardest until the last buzzer in spite of the score. The team suffered at the hands of snow and sickness but managed to improve to a 6-6 record from last year's 4-8 season. This record was accomplished through the efforts of the entire team including the coach.

Hopes are high for next season. Although the team is losing three players, ability is plentiful in the Junior Varsity Team, and the positions will be filled. Much of the team intends to attend a basketball camp at Exeter this summer to improve its play for the coming season.

WINTER TRACK

LETTER WINNERS ITALICIZED - FIRST ROW: P. A. Graham, *D. Minster*, co-captain *Neville*, co-captain *M. P. Graham*, *Lindsay*, *Linn*. SECOND ROW: Coach Abusamra, Am. Forsat, *D. Van Etten*, *M. Palais*, Rosen, Sterman, *Entekhabi*, Coach Radoccia. THIRD ROW: Sapuppo, Theriault, *Sc. Miller*, *R. Whitten*, T. Atkinson, Devine.

The 1978 Winter Track season may be described as a perplexing mixture of both disappointing and commendable elements. The team got off to a slow start with a generally poor performance against the Andover J.V. in early January. The record jumped to 3-2, however at a meet at Methuen H.S. late in the month. This meet reflected the team's potential which had been noted before Christmas vacation.

The long month of February then proceeded to take its toll. There were no meets during most of the month due to four cancellations. The team's enthusiasm and discipline suffered.

However, the approach of the Interscholastics, the most important meet of the season, revitalized the squad. In this meet Governor Dummer's finish as second of the eight teams competing was accomplished by a group which, although it had no superstar, performed with dedication and class as a cohesive whole. The field events were led by Bruce Lindsay in the shot and Derek Van Etten in the high jump. Doug Minster ran the hurdles, Andy Linn and Roger Whitten sparkled in the sprints, co-captain Rick Neville and captain-elect Scott Miller were consistent performers in the middle distance events, while co-captain and MVP Philip Graham and Matthew Palais formed the "distance crew."

Although it had been a long and difficult season, coaches Radoccia and Abusamra's track men finished it on a triumphant note, leaving a very strong 9-3 season record on the books.

Independent School League Champions
19-1

The 1977-78 men's varsity basketball team had its best season in history, finishing without a loss in Class C play. The team had much individual talent, but the season was characterized by contributions from every member. The offense was strong, but the defense, which helped to key a fast break offense, was stronger. Herzel Fulton's numerous steals prevented shots, Ike Suggs' quickness and tenacity forced outside shots which produced rebounds for the awesome inside trio of Derek Spears, Rick Willard, and Timmy Norton. This trio dominated the boards the entire season, gathering in the ball to set the offense, led by powerful Tony Thomas' inside moves into motion. Although Tony scored the most points, the total offensive output was spread evenly among the remaining players and anyone could heat-up during a given game. The resulting balance was devastating to ISL foes.

The season was filled with highlights. Among the brightest was winning the second annual Independent School Holiday Basketball Festival prior to Christmas. A Friday night victory over Milton set up the ISL showdown with Thayer. Few will ever forget the sparkling first-half performance of co-MVP Tony Thomas on his way to a 43 point game. Strong rebounding by co-MVP Derek Spears and solid defense by Coach's Trophy winner Herzel Fulton enabled the Governors to hold on for a 4 point victory. The Big Red then cruised easily through the New England Class C. Tournament, including a victorious rematch with Thayer in the finals.

Despite the loss of five seniors, there is a multitude of talent returning to defend the two championships.

The 1977-1978 varsity hockey team suffered through a disappointing 6 - 12 - 0 season. Coaches Harrington and Beckett greeted a team filled with high hopes and expectations based upon a strong defense anchored by High - School All - Americans John Webster and Brad Clark and a solid netminder in Dave Lothrop. These high hopes were quickly dashed by three losses in the first week of season.

A victory over Newburyport High School just before vacation gave a preview of the streak of fine play which was to follow. Highlights of this streak included Peter Jenkin's hat trick versus Groton and great hustle by winger Brad Cavanagh. These victories and near losses are particularly impressive when one realizes that the team missed nearly half of its practices during this period because of snow. Especially gratifying was the impressive three goal outburst during the second period of the first Brooks game, probably the finest period ever played by a Governor Dummer hockey team

Unfortunately, as the month of January wore on, a lack of scoring power hurt the squad; many disheartening losses ensued. Bright spots included outstanding penalty - killing by senior forwards Scott Anderson and Paul Cook along with solid defensive play by Brad Clark. Then came the Blizzard of '78 which covered Frost Rink for nearly a week.

The team bounced back from the lay-off by giving Coach Harrington a 4-1 victory over Middlesex as a birthday present. Unfortunately, injuries began to seriously deplete the forward ranks as Steve Queen was lost with a broken leg, to be followed by Carl Schwartz against Groton. Three disappointing losses closed the season despite some outstanding play by juniors Dave Smith, Steve Perry, and Brad Cavanagh.

There were bright spots to emerge, however. Defensemen Webster and Clark along with goaltender Lothrop were unanimously chosen to the All - League team. For senior tri-captain John Webster, a four - year letter - winner, it was his third year to be so honored; he was awarded the MVP for the second consecutive year. He now holds nearly every individual hockey record at Governer Dummer. Brad Clark and Scott Anderson were awarded Coach's Trophies for their consistant hustle and outstanding attitude which they displayed throughout the season.

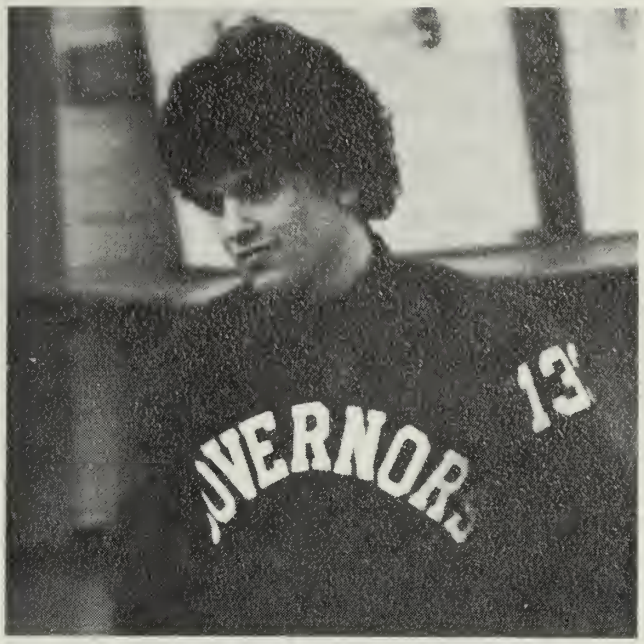
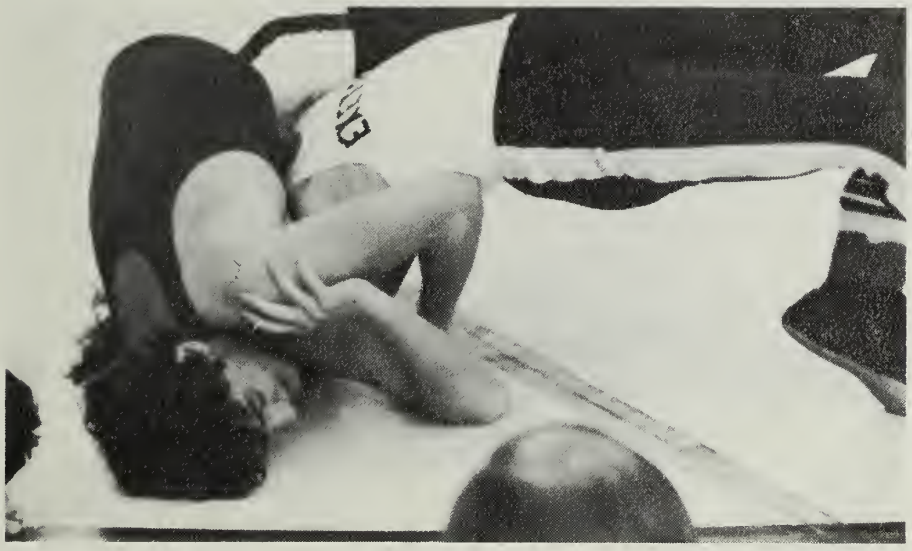
Dedication is perhaps the most essential attribute of a good wrestler. Starvation diets, running after practice, early morning weigh-ins, and pre-match nervousness are evidence of the sacrifices made by members of the wrestling team.

A big addition to this year's wrestling team was the arrival of another wrestling coach, Mr. Mulligan. A former New England Wrestling Champion as well as co-captain of the 1971 G.D.A. squad, he taught the team some new moves and some improvements and variations on others. Mr. Mulligan's help was greatly appreciated by Mr. Evans and all of the wrestlers.

Although expectations for this year's team were not very high because of a shortage of experience, the wrestlers gave an impressive showing at the Christmas Tournament. Second place medals were won by Dave Drukker in the 145 pound class and Tom Bigelow in the 152 pound bracket; Captain Andy Bendetson won the 133 pound class.





The dual-meet season record was a respectable 4-6, surprising even Mr. Evans. The season started auspiciously with a win over Belmont Hill. Following a loss to Phillips Andover, the team edged Thayer 34-33, featuring a demonstration of Mr. Evans' formidable knowledge of the rules in assuring the victory with his successful arguing of a technicality. After two wins in a tri-meet with B-B & N and Holderness, the going got tougher with the team losing some close matches to some very strong teams.

Due to many cases of the flu and injuries, notably to MVP Andy Bendetson, who had an undefeated season until his shoulder injury, the Class A tournament was a disaster. Chris Stafford's fourth place was the best the team could muster.

Andy Bendetson compiled a trememdous record and will be sorely missed by next year's team. Consistently strong performances were turned in by Chris Stafford and co-captains elect Stu Cawley and Tom Bigelow. Special thanks must be given to first - year letterman Scott Mason, Amir Ahari, Adam Kastan, Jack Rooney, Bray Walsh, Steve Wall, Dave Callan, Jeff Bennett, Mauricio Daher, and Russ Cushman (by ascending weight classes), many of whom had never done any wrestling prior to this year.

Best of luck to Mr. Evans, Mr. Mulligan, and all of next year's team!

The winter of '78 gave the cross-country ski team some of the ost beautiful snow ever. However, it snowed out two meets at ie same time. As in previous years, the results were sappointing when compared to the team's expectations. This ear involved rigorous training for the skiers, who became ccustomed to practices of six to eight miles long by the end of the ason. Other variations of the training schedule included bike ces to Plum Island, sprints on the hills, and the annual onehenge race. Team spirit was high during practices, although oaning could be heard as Mr. White and Mr. Clagett nnounced daily workouts. Many people may have noticed the .D.A. Ski posters hanging in all of the buildings, and the skiers ppreciated the few loyal fans who skied, snowshoed, or sledded ver to the golf course to cheer them on. The newly-formed girls' am competed alongside the boys against archrival Middlesex, well as Concord or Lawrence. The high point of the season ight have been the I.S.S.A. meet at Groton when the boys did *ot* come in last and the girls were only three points behind the awrence girls.

Overheard during the season:

"Boogie!" Captain and MVP Kit Latham; dauntless, except hen it came to the flu, and who also kept the team's spirit up.

"The girls can make things for a ski team bake sale," and "You t a *girl* beat you?" Steve Tamposi.

"I think we ought to klister and feather Tamposi." Emily oolf.

"I think we should do a few more laps." Captain and MVP arah Putnam who, following the Groton's coach's directions in a ce, got lost.

"Well, my sister and I were playing soccer...," and "You see, I epped in a pothole..." Johanna Stephen, who managed to sprain r ankle twice during the course of the season.

"Do you see that conifer on the other side of the field?" Coach hite; who kept the team on its toes.

The team looks forward to next year and the return of the ntire team, excluding senior Kit Latham. They will be led by o-captains Jim Miller and Sarah Putnam.

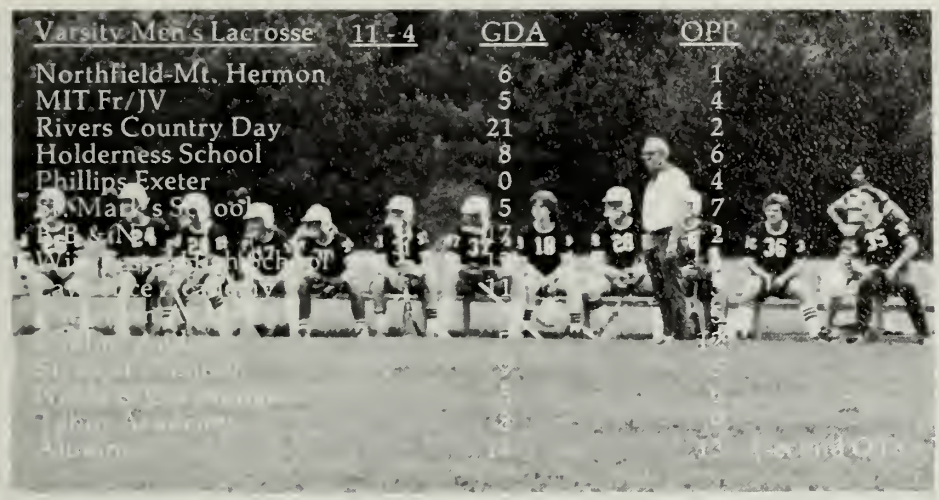
ALL LETTERMEN - FIRST ROW: Jenkins, P. Cook, Goodhart, B. Bowditch, co-captain Higgins, co-captain Ostheimer, Pope, Suggs, Spears, Schwartz. SECOND ROW: Coach Evans, Lothrop, A. Woodworth, Williams, Stephenson, Sizer, Driscoll, Garnett, Coach Anderson. THIRD ROW: Taylor (manager), Pendelton, Stafford, T. Rourke, D. Bowditch, Lindsay, Hey, F. Wise, Marvin, Ev. Jones.



The 1978 varsity lacrosse team opened the season with four quick victories, including a 21 -2 romp over Rivers. An Unexplained slump ensued. Having trouble handling passes and picking up ground balls, the Governors dropped games to Exeter and St. Mark's, two games which they feel should have never have been lost.

The team was perhaps lacking depth and balance at the midfield position. In an attempt to restore balance Ike Suggs was moved from first to second midfield, a change which helped considerably. Ike supplied the leadership, experience, and scoring that the second group needed, while the starting trio still had veterans Jim Goodhart and Paul Cook.

The team quickly got back to its winning ways with another four game winning splurge. Highlights included a seven goal performance by high-scoring Peter Jenkins versus Winchester and the winning tally against a strong Pinkerton squad by Ike Suggs with only two minutes remaning.

A strong Andover team provided a big challenge in the next contest. After playing even for three quarters, fatique set in and the visitors exploded in the final twelve minutes to take a 12-7 victory. The Governors bounced back to win three of its final four games, including an exciting overtime victory versus the alumni, to close the season with an 11-4 record.

Sophomore goalie Carl Schwartz played consistently well throughout the season, and he can be credited for keeping the Governors in many ball games with his brilliant saves. All-American attackman Tad Higgins was also key with his deft passing, giving him many assists, many of which were to Peter Jenkins who broke several school scoring records.

Congratulations to the entire team for their maintaining the Governor Dummer tradition of winning lacrosse.

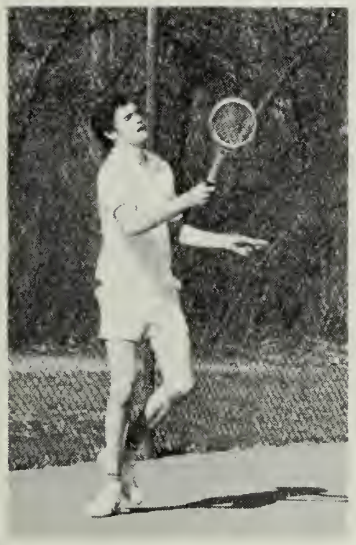
The 1978 varsity tennis team was a highly skilled, well-rounded, enthusiastic squad with a superb record to show for its attributes.

The team played according to Coach Harlow's wishes: do not look too far ahead, play one match at a time. This advice proved to be valuable as the team was never over-confident, although they did exude a sort of sureness which was a helpful attitude. Coach Harlow emphasized the need for tough practices which paid off throughout the season. Mr. Harlow was also the basis for unification and this concept, aided by co-captain Peter Feith, provided the necessary spirit to carry the squad through some tough matches.

Evidence of this spirit was particularly evident at Rivers where the score following the singles matches was quite close. The team gathered and the unity felt by all was the advantage which gave the Governors an easy victory in the doubles.



No single individual dominated the team, and each player exerted 100% effort at each match. Senior Greg Rose played the number one position, and--as shown by his winning record--he could compete with anyone in the league. Whenever co-captain and MVP Peter Feith stepped on the court, the team was sure he would leave with nothing less than a win. Junior Russ Cushman, probably the team's hardest hitter, played the difficult number three position and his long reach proved to be too much for most of his competitiors. Drew Jones and Dean Harrison shared the fourth and fifth positions. Dean had one of the squad's best records and could beat just about anyone at either position. Drew demonstrated the team's best finesse with his professional type strokes. For most of the season Drew did not play doubles, but he provided invaluable support and enthusiasm. Rounding out the team's singles players was Geoff Gwynne who gave the team depth that other schools simply did not have.

Although number seven Jeff Hatfield never competed in the singles, he supplied solid doubles play in paring with Russ Cushman at the number two slot. The number one doubles team of Rose and Feith were undefeated and could unquestionably be considered the best doubles duo in the league. The third doubles pair of Harrison and Gwynne again provided the Governors with great depth, suffering only one league loss through the course of the season.

Co-catain Ray Casey's season was stunted by an early eye injury from which he never truly recovered. But he supported the team with his spirit and contributed his wealth of knowledge of the game to other team members.

1978 was a most successful season, in spite of the loss to Belmont Hill, and was enjoyed by all. Best wishes to next year's team!

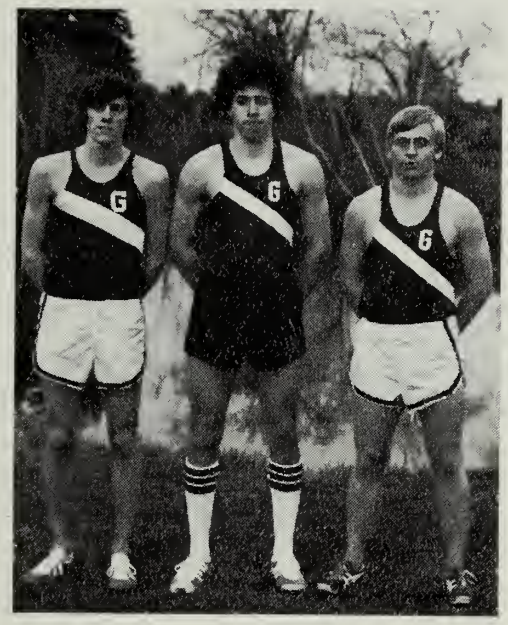
Every so often a season comes around that makes one stop for a minute when it is all over and say, "Boy, that was a memorable season." What is really special about the 1978 Spring Track Season is that people were saying that in spite of a dismal season record of three wins and four losses. The record is not fantasitc, it is true. But there is so much more to be said about this team that one is very tempted to overlook the record.

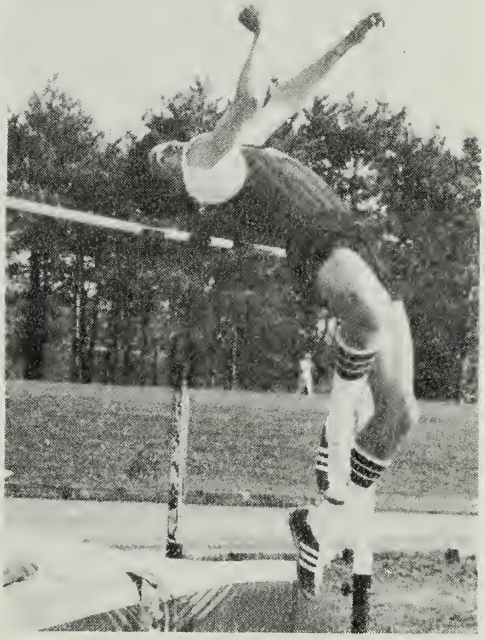
It might be noted that three meets, against Thayer, Belmont Hill, and Milton, were lost by a total of twelve points, a highly unusual circumstance in track. How could a team come so close and yet not win? The answer is that the team had excellent top performers in each event but not enough men who placed in those events to get the team enough points to win.

The field events were led by Mauricio Daher in the shot put and discus, and Kash Nourizadeh and Rick Willard in the long and triple jumps; Rick established a new school record in the latter. Doug Minster was super in hurdles, setting a new record in the 330 intermediates. Herzel Fulton, the team MVP, ran incredible times in the 440 and 220 while anchoring the best 440 relay team in New England. Meanwhile, Scott Anderson singlehandedly ran the distance events, doing well in all of them.

Although the team could not seem to win dual meets, it had enough talent to win the New England Prep School Class B Interscholastic Meet at Vermont Academy. The victory was truly a great triumph and, as Mr. Sperry said, made the season very worthwhile. It was a fitting tribute also to Mr. Sperry who retired as head coach after twenty four very successful spring track seasons.

Thus it was that the stars and records, the Interscholastic Championship, and the departure of Mr. Sperry makes one look back and say, "Boy, that was a memorable season."





WOMEN'S VARSITY TRACK

LETTER WINNERS ITALICIZED - FIRST ROW: *Sapuppo, Esposito, Coffin,* captain *J. Stephan, Roome, J. Cook,* Plante. SECOND ROW: Mulherrin, *S. Putnam, Kalhori, G. Putnam, Tye, Post,* Spoerl, *Saunders,* Hamilton. THIRD ROW: Lawson (manager), *C. Putnam,* Stern, *Su. Miller,* Coues, C. McCarthy, Coach Marsolais.

This year women's track had an outstanding season. The 5 - 3 - 0 record illustrates the tremendous talent displayed on the team. In fact, the only losses were against much larger Exeter and Andover Academies. The excellent output from this team may very definitely be accounted for by its very willing and able coaching staff. Mrs. "M" was *the* coach and she worked mainly with the sprinters. Mr. Abusamra coached the distance runners while Mr. Sperry shared some of his field events secrets with the girls throwers. Mr. Rybicki was a master with the jumpers and Mr. Ufema ran a multitude of stopwatches.

This year's sprinters did very well competitively as well as in relation to previous school standards. MVP Kathy Coffin broke records in both the 220 and 440. Sue Miller set a record in the hurdles; since this is a new event this season, she was often resetting her own record. The 440 relay team; consisting of captain Johanna Stephan, Sue Miller, Katherine Post, and Lisa Sapuppo, tied the school record at the Interscholastics. This group should be even better next year.

The distance runners were also strong this year. Neda Kalhori broke the record in the mile run and Claire Putnam, who bettered her time in every race, set the two mile record. Sarah Putnam came within five seconds of the 880 record. These girls love their running as shown by their 10 mile run with Coach Abu following the season. All of these girls will be back next year as well.

Field events were very popular this season. Randy Tye participated in the shot put, javelin, discus, and high jump. Katherine Post established a school record in the high jump and Kim Saunders did likewise in the shot put. Johanna and Kate both did very well in the long jump. Laura Roome broke a record in the shot and was a very strong competitor in the javelin until an arm injury put her out for the season.

The team is very fortunate to graduate only one member and looks forward to an even better season under co-captains Johanna Stephan and Neda Kalhori.

The 1978 varsity baseball team celebrated an overall winning season, a feat which has not been accomplished in many years. A 4 - 8 league mark, equal to last season's record, proved to be somewhat of a disappointment for the team. As in the past, injuries hurt the team at most inopportune times. The loss of catcher Steve Perry and the pitching of Todd Dagres brought about major line-up rearrangements.

A brilliant four game sweep of the Providence Country Day Tournament and a victory in the league opener over Thayer got the Governors off to a fast start. This was the first league opener the Big Red had won in a dozen years. Following an upsetting loss to Groton the team regrouped to demolish Roxbury Latin after the dedication of the Howard "Buster" Navins Field. The Governors were only able to defeat Brooks in the next nine games as a slump ensued. A Troy Dagres two-hitter and Curt Metzger's two-run blast made the difference in that one. Inspired by Coach Moonves pep talk, the team pulled together to gain its winning record.

The team had bright spots both offensively and defensively. Two members made the league batting stats: Todd Dagres, who finished fourth, and Tom Mathews. MVP Dagres was also among the league leaders in Home Runs and RBI's. Junior Troy Dagres joined his brother in the RBI leaders as well as pitching many fine games.

Overall the team had a pleasing season. Four members--MVP Todd Dagres, Coaches' Award winner Ken Bloom, Tom Mathews, and Curt Metzger will all be missed next season. But nine returning veterans coupled with the help of a solid JV squad leave the Governors with high hopes for next year. Good luck!

WOMEN'S VARSITY LACROSSE

ALL LETTER WINNNERS - FIRST ROW: L. Russell, James, co-captain Baker, co-captain Lynch, Moseley, Malloy. SECOND ROW: Coach Clark, Duff, L. Miller, Roorbach, Lee, Su. Perry, Blake, Perkins, Webb, Woodbury.

After losing fourteen seniors from the varsity women's lacrosse team of last year, this year's teams were not expected to do well against their consistantly strong opponents. The Governors, however, surprised many people by finishing with a respectable 5 - 7 record. The outstanding aspect of the team members was their attitude and perseverance. Although they knew that beating some of the teams would have been a major upset, they tried, even when down by a large margin. A preseason jamboree at Lawrence Academy showed the girls what they were up against. Although Felicia Lynch was able to charge from the defense wing position to score twice in one game, and other members of the attack tallied their first goals of the season, the Governors came home three losses and a tie in four twenty minute games.

In their first full game, against B-B & N, the girls persevered to win, with Julia Malloy leading the attack with two goals. Gretchen Roorbach scored her lone goal of the season in the first half and spent the rest of the season getting everyone else psyched to score. The second game was lost to Groton as a threatening pattern developed. With only one exception, in every game one person from the other team scored at least half of the goals. It was never the same position, but there always seemed to be an extra player or two swarming around the goal mouth. The Pingree game was one of the best. Although they lost, the Governors were proud of their effort. The defense played an excellent game and the offensive passing was at its best.

Three days later the team was rudely pulled off of cloud nine at St. Georges. After a tiring bus ride to Rhode Island, the red and white found that they had to play in the hot muggy air and on a slanted field. A furthur blow came when Julia sprained her ankle, eliminating her for the remainder of the year. Kelly James finished up the game at first home. At Middlesex the Governors put forth a tremendous offensive effort. Pam Webb scored four times and assisted once. Julie Duff had three goals and two assists. The passing in front of the net was superb; finally they were seeing the open player. The team was ready for its next game against Thayer. It was late in the first half before the offense got started. A goal by Linda Miller set things in motion. Alice Mosely, newly converted to first home, and Debbie Baker, a defensive player until this season, scored two goals apiece. While Alice was perfecting her over the top shot at one end of the field, Heather Perkins and Abigail Woodbury were playing an excellent defensive game.

The next four games were disappointing, to say the least. Although the other team did not always seem any better, nothing seemed to click for GDA. Sally Lee added more goals to her steadily growing pile during the Exeter game. An example of the stellar goaltending which the team received all season from Sue Perry came against St. Paul's when she recorded 22 saves. Martha Blake again played a consistent game, always going 100% all-out. The team closed the season with a win over the alumni as Leslie Russell put in her long sought goal.

GOLF

ALL LETTERMEN - FIRST ROW: co-captain Leahey, co-captain Webster. SECOND ROW: Fox, Slater, Campbell, Coach Witherspoon, Weldon, Bendetson, Menyhart, Dammann.

This year's varsity golf squad had expectations of a strong season, but the result was somewhat disappointing. With the loss of only one player from the previous squad and co-captains Al Leahy and John Webster playing their fourth varsity seasons, hopes were high, but they were not realized. The final record was 3 - 5 - 1 and a fifth place finish in the ISL Tournament. Despite this less than stellar showing, some fine individual efforts came through.

Al Leahy played from the number one spot for most of the season and shot the team's best round in the final tournament. His personal record was 6 - 3, and because of his effort received the MVP. John Webster also had a fine individual record, finishing with a 5 - 4 mark. Playing most of the season from the number two position with two starts in the number one slot, his game added strength to the top of the ladder. Remembered for throwing his clubs into a tree during his junior year, John will also be missed for his on-course play. The loss of Leahy, 19 - 16 for his GDA career, and Webster, 16 - 13 over the same span, will leave the team shorthanded at the top, and their talent will be sorely missed next year.

In the number three spot was Mike Weldon, co-captain elect for next season. Although he did not have a winning record, the experience he gained will be invaluable next year. The other co-captain elect is Doug Campbell, who played right behind Weldon for most of the season. Following them was freshman Floridian Mike Menyhart who will be the base for solid teams in the future. Number six Andy Bendetson will be remembered for his determination in finishing a match in the dark, a white scarf tied around the flagstaff. Seniors Jim Slater and Rolf Dammann split the number seven duties, Rolf finishing with a 3 - 1 personal record.

Next year will be a rebuilding season for varsity golf with all but three players lost to graduation. But despite this obstacle, the team and Coach Witherspoon are hoping for a more successful season next spring.

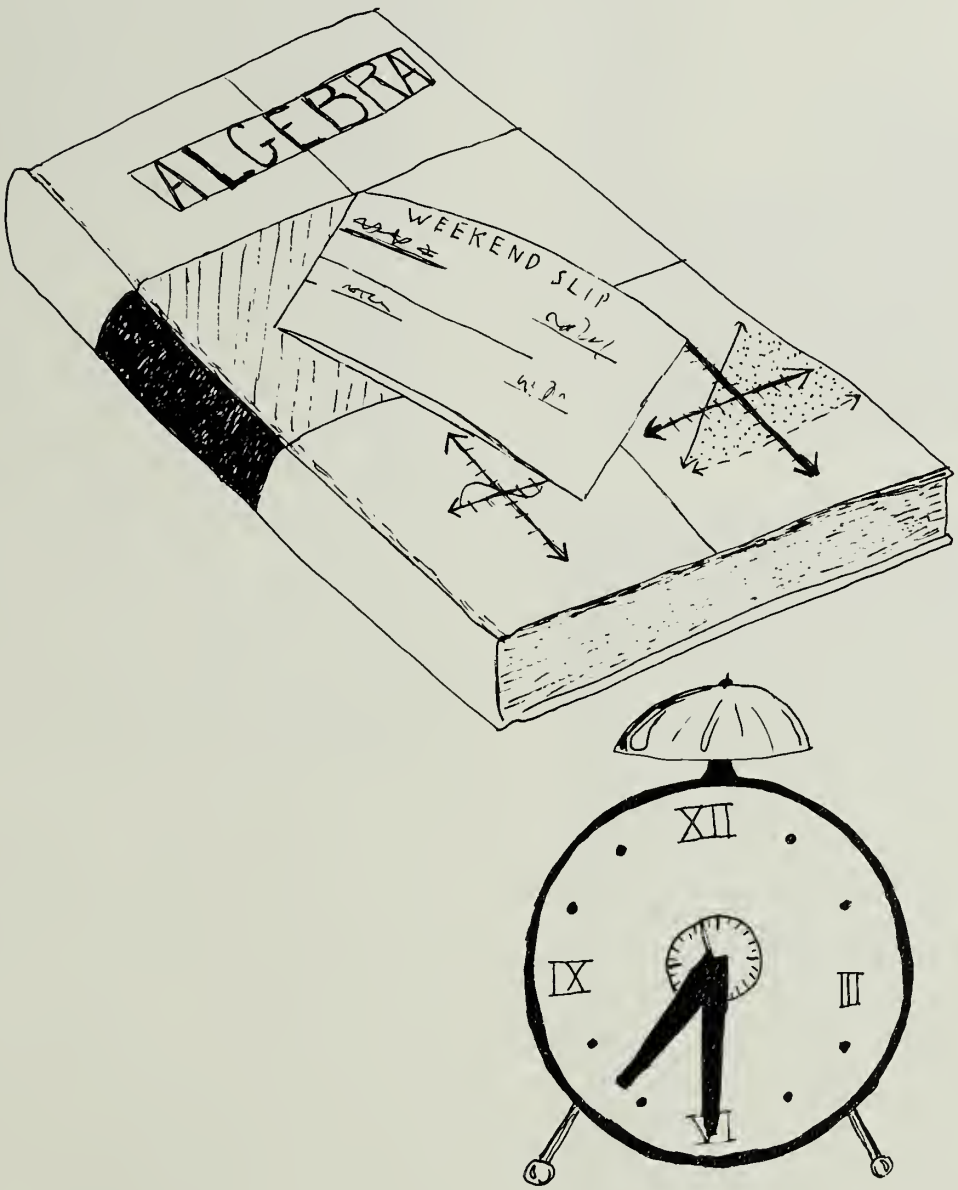
UNDERCLASSMEN



JUNIORS

The Junior Class of 1978 was a very special group of students. They were a concerned and hardworking group. In academics and athletics they excelled while supporting and leading many extracurricular activities. They were not a group to sit back and watch others work. Many members of the class were very instrumental in assembling the *Milestone*, while others worked hard in the radio club, social committee, Varsity Club, and other organizations. Among the members of the class are many talented people. Chris Kangis put on a concert in the spring consisting of all original works. Dara Entekhabi displayed his photographic talents on the walls of the Cobb Room and took first place in a school sponsored photographic contest. Many of the Most Valuable Player awards went to members of the junior class, both male and female. Linda Miller recieved the MVP award on the improving womens soccer team, while Sarah Putnam was the Ski MVP and Randy Tye led a surprising basketball team. In the spring, Felicia Lynch was the outstanding player on the lacrosse team while Kathy Coffin broke school records in both the 220 and 440 enroute to the MVP award. Derek Spears was outstanding all year, earning the MVP on a fine football team and being co-MVP on Class B New England Champion Basketball team.

The Honor Roll and High Honor Roll were made up of a vast number of this class. Stu Cawley, Abby Woodbury, and Martha Blake led the class academically. These three will receive a strong challenge for academic leadership next year from the likes of Betsy Farley, Linda Miller, and Sarah Putnam.

The future is bright for this class; next year should be a good one. This class is one which cares about the school and school community and will continue working to better Governor Dummer for all.

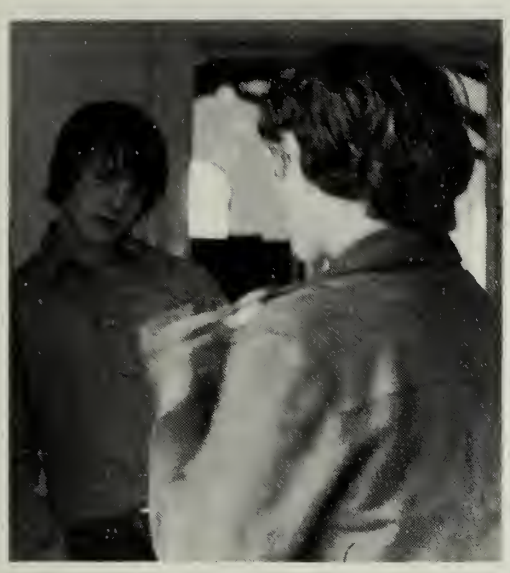
FRESHMEN



The class of 1981 was good, both in and out of the classroom. A good number had averages over 3.0, led by high honor roll member Ben Frost. Several were key members of a variety of varsity squads. The women had Sue Perry in soccer, basketball, and lacrosse, along with Clare Putnam and Susan Miller in cross-country and track respectively. The trio of Dana Pratt, Rob Sudduth, and Mark Whitney will be terrorizing opposing hockey coaches for another three seasons. Other freshmen were impressive in areas such as drama, Vinca Ingram and Heather Davis in drama for example.

Highlights of the year included Carter's "Morning Sports Review," featuring complete batting averages of every player in the American League. It is still undecided whether Mr. Moonves' teaching was a critical factor in this performance.

Farmhouse put on impressive displays throughout the winter. They were instrumental in the disputed snowball victory of Cottage over Perkins. And who will forget the football games which followed the blizzard. Finally, Doctor Sax finished a strong second to Brina as class mascot.

Most of the class made it through Science I without serious damage, emotional, intellectual, or otherwise, and a few even found physics could be fun. (Whoever thought that all that math could have anything to do with swimming!)

The freshmen had a good year, and they promise better things in the coming three.

THE MORSE FLAG

The Morse Flag was first awarded 64 years ago at the 150th Commencement of this school on June 9, 1913, and it has been awarded each year since that time to the senior whose record in all respects has met with the highest approval of the faculty. According to the trust established by the late Rev. Glenn Tilley Morse, a long-time friend and trustee of the Academy, a new flag is provided each year in order that the old flag which has flown over the school during the past year may be given to a member of the graduating class.

An inquiring mind; a sharply-honed intellect; a deceptive stamina both physically and mentally; a high and uncompromising standard of decency - such qualities as these distinguish the winner this year of the Morse Flag award. Few are the facets of Academy life in which he has not played a leading role: athletics, he has lettered nine times and been twice a captain; leadership, he has served on the Student Council; trust, he has sat on that most taxing of all student-faculty bodies, the Discipline Committee. Member of the Red Key Society, the *Milestone Board*, this year's senior committee to plan Commencement, honored for his junior year both by designation as the Francis Scholarship holder and by election to the Cum Laude Society, he is recognized by the faculty as possessor of perhaps the most challenging and tenacious mind in the school. Indeed, just as he has an occasion seen fit to reason on thorny issues with the Headmaster, it is without question that - should circumstances warrent, he will never shrink from discourse with the august leader of that renowned institution to which he proceesd in the fall: Harvard University.

MALCOLM PHILIP GRAHAM of Ipswich

THE ACADEMY PRIZE

There are two prizes which are awarded by vote of the entire faculty: one is the Morse Flag awarded earlier this evening; the other, the Academy Prize. Upon retirement of Headmaster Ted Eames in 1959 the underclassmen of the Academy endowed the already existing Academy Prize so that henceforth at each commencement it could be given "in honor of Edward W. and Eleanor K. Eames so that the qualities they so deeply prized might be prized in turn by future and succeeding classes." Those visiting the Phillips Building will find inscribed on the paneling outside my office door, in the entry-way of the Cobb Room, the names of all Morse Flag winners, reaching back to 1913, and the winners of this Academy Prize from 1931.

Uncompromising determination, unflagging drive, uncompromising standards of excellence - these characteristics signify the recipient of the Academy prize this year. In football one thrills to watch the elusive runner, the battering lineman; in hockey, the deft stick handling, the bursts of blinding speed; in track, the grace, the body control, the rhythm. Though he may fall short of giftedness in each sport in which he has participated, this young man has accomplished a dogged mastery of all: The same dogged mastery has brought recognition for his contributions as a leader in his sophomore year; a key award on this same occasion a year ago as a junior; last fall election to the Cum Laude Society and a Letter of Commendation from the National Merit Scholarship Foundation; and Editorship of the yearbook for his class. A pre-eminent scholar amongst his peers an aspiring aerospace engineer as he moves next year into that demanding curriculm at Georgia Tech, 1978's recipent forthe Academy Prize is Byfield's own

SCOTT ANDERSON

PETER MARSHALL FRENCH MEMORIAL TROPHY

This year, for the first time, a valuable award has been added to the pantheon. It recognizes, in the field of athletics, an individual who, whatever his class at the Academy or gifts as an athlete, for his or her contributions deserves our special respect. It gives me pleasure to read for the first time the citation and to initiate this award.

The French Memorial Trophy has been given by his sister in loving memory of Peter Marshall French. It is inscribed each year with the name of a student at any level whose perseverance, sportsmanship and generous spirit on the playing field, regardless of distinction as an athlete, represent the highest standards of participation; and it will remain throughout the year on display in the Peter Marshall French Student Center.

The first name to be inscribed on this beautiful trophy is that of a freshmen who, performing on the youngest teams in school in football, basketball and baseball has for his unselfishness and his enthusiasm earned the admiration and appreciation of his coaches and his teammates.

PAUL DAVID CARTER of Newburyport

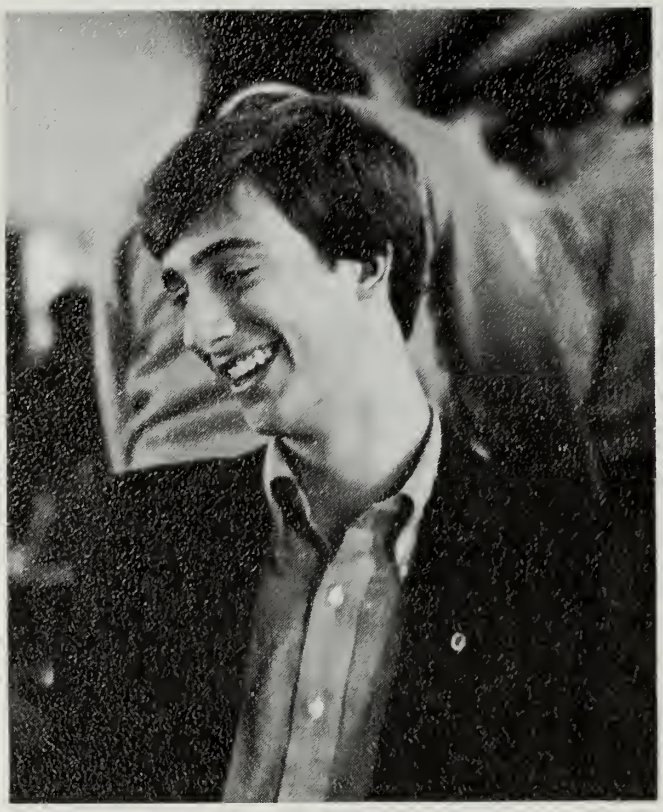
GOODWIN ATHLETIC PRIZE

The Goodwin Athletic Prize, established by Mr. Fred H. Goodwin of the Class of 1916, a trustee of the Academy from 1916 to 1949, is given to the senior who, by his athletic achievement and sportsmanship, has brought the great honor to his school during the past year.

There are innumerable good athletes: crowd-pleasers, gifted egotists, taciturn but talented loners, the generous, the modest, the apparently indestructible. Yet he who is not merely good at the game, but consistently, unvaryingly good; intelligent; a team player; and a gentleman - such is a rare and admirable figure. This year's winner of the Goodwin Athletic Prize is just such a one: nine times a letter-man; three times a captain, three times named to All-Independent School League Honors, in two different sports; he has been a unifying and stabilizing influence in every season - demonstrating quick, sure hands in football; ball-stealing, feeding and scoring on the Governors' strongest basketball teams in decades; streaking out front up straight-away and around corners on the track, he will bring to that peerless college overlooking (from Meldrim Thompsom's granite turf) the broad-flowing Connecticut - and that verdant state felicitously signalized in his middle name - a rare rich quality, not only as a athlete, but as a young man.

HERZEL VERMONT FULTON of Los Angeles

THE GAFFNEY PRIZE



The Gaffney Prize, established in memory of Robert A. Gaffney of the Class of 1940 is awarded to that senior who, in the opinion of the faculty, has been most considerate of the rights, opinions, and sensibilities of others.

Known by all, liked and respected by all, considerate of one and all, he has served younger students through his proctorship in Mason Cottage; the school through his Chairmanship of the Red Key Society. Letter winner in three varsity sports, he has accepted disappointing injury and adversity side by side with success as part of his lot. The definition of the Gaffney Prize fits him aptly: "...considerate of rights, opinions, and sensibilities of others."

ANDREW WOOD STEPHENSON of Swampscott

THE CUMMINGS PRIZE

The Cummings Prize was established by the family and friends of the late Fred T. Cummings of Troy, New Hampshire. It is awarded annually to a student who has shown perseverance, hard work, and good spirit in contributing to the welfare of the school.

Service and scholarship distinguish this year's winner of the Cummings Prize. These two qualities. pervade all she has devoted to: through the Red Cross Bloodmobile, the YWCA in Newburyport, and the Salvation Army she has reached outside the Academy into the larger community; here at home she has been Red Key, a Big Sister, Co-Chairman of the Day Library Committee, Co-Managing Editor of *The Milestone* and a member of the Cum Laude Society. Finally, she is the first student in memory ever invited to sit on the Committee of Admissions to Governor Dummer Academy.

JODY REGINA BAUM of Swampscott

THE BARRISKILL PRIZE

The James M. Barriskill Prize, established in 1960 by the students in memory of Mr. Barriskill of the faculty, is awarded annualy to that member of the senior class who has made an outstanding contribution in the field of music at the Academy.

You have seen her before this evening, and I have saved some of the thunder for this second moment recognition. She has been not only premier character actress at the Academy, but for four years an active member of the Glee Club, for four years a student body voice and piano - while other areas attaining membership in the Cum Laude Society and the position Editor-in-Chief of the student newspaper, *The Governor*, at its best:

MARY ALEXANDRA MACKAY - SMITH of Ipswich

THESPIAN AWARD

The Best Thespian Award was first made in 1971 when our Drama Club became a member of the International Thespian Society. It is awarded for meritorious work in the field of dramatics, for inspiring participation, providing leadership, and developing theatrical knowledge and abilities.

True leadership is a rare quality, showing differently perhaps in different people, but almost always reflecting poise, perceptiveness, persistance, and responsibility. When creativity also plays a part in it, then it is truly rare. A member of the International Thespian Society since her sophomore year, winner of their Special Merit Award as a junior, she whom we honor tonight has won applause many times on the Governor Dummer stage, both in leading and supporting roles - and when not featured in the cast has worked unselfishly behind the scenes:

MARY ALEXANDRA MACKAY - SMITH of Ipswich

THE WILKIE SERVICE AWARD

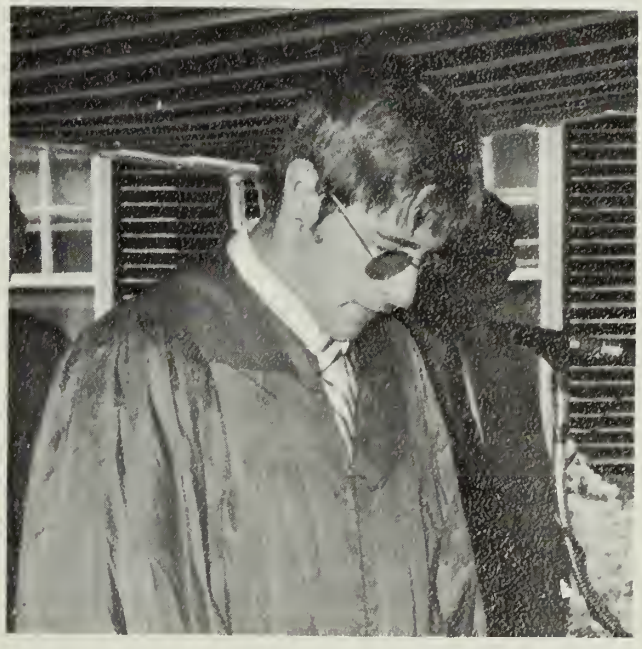
The Wilkie Service Award in honor of Valleau and Marjorie Wilkie is awarded to a senior whose contributions to the community outside the school have best demonstrated the deep concern, the unfailing sympathy and aid, for which Val and Marge are affectionately remembered.

Happy is that community which can count among its members even a few who can meet each day gladly, with an unassuming generosity and concern for those around them; whose presence is a kind of compass homing on quiet strength. If you have stood by him on the sidelines, you have felt the unswerving loyalty of his support for his team; if you have watched him on the field, you have seen not a starring, but a steadfast effort. By his own testimony, early in his career at Governor Dummer, self-control did not come easily to him.

Though a boarding student, in his junior and senior years, he has through the Academy's Community Service Program given countless hours to organizing and directing recreation activities for children at the Salvation Army Gymnasium in Newburyport

The 1978 winner of the Wilkie Service Award is

PETER HEY of Hookset, New Hampshire



SPECIAL PRIZES

An alumnus of the Class of 1911 at the Academy, father of an alumnus, friend and neighbor of Edward W. Eames for years during the latter's retirement, until their deaths in 1975 within days of one another - and for many years a generous benefactor of the Academy - Milton L. Dodge of Newburyport in his bequest provided for the continuance each commencement - time at Governor Dummer of Special Prizes to be awarded to "members of the Senior class whose perseverance, courage, initiative, sense of responsibility, loyalty, and/or concern for others have contributed to the strength of the Academy." With gratude to Mr. Dodge and his family, we award six Special Prizes tonight.

Each of us knows perhaps a few who have succeeded on natural talent alone; they are much to be admired. Closer to the circumstances of most of us, however, are those who - if they are to lead - must do so by virtue of determination and extra effort; when they succeed, they are greatly to be respected. In his two years at Governor Dummer, the recipient of tonight's first Special Prize has won the admiration of us all: as a striver in the classroom, as a concerned contributor on campus: as a dormitory proctor; happy-go-lucky, but committed; a letter-winner in each of his six seasons at GDA; in lacrosse, attackman with the quickest and most unerring wristshot north (and perhaps south, too) of the Mason-Dixon line - a certain-school-in-a-southern-suburb-of-Boston's loss, but Governor Dummer Academy's gain:

PETER WELCH JENKINS of Duxbury

The poet Homer of ancient Athens and Walt Whitman of America both are famous for "Cataloguing" in their poetry. I have not their talent, so for this next prize-winner, I stand in need:

- during his four years at the Academy, three as an elected member of the Student Council;
- student tour guide;
- member of the jazz band, the staff of *The Governor*, the Varsity Club, the Commencment Committee, the Senior Honor Society;
- in his junior year, a student representative to meet with the Board of Trustees;
- as a senior, a dormitory proctor;
- seven times a letter winner (in three sports),

he has performed conscientiously and with patience two of the most difficult student roles in the school: as Chairman of the Student Council and as student representative to the joint Faculty/Student Discipline Committee

PAUL JOHN COOK, JR. of
Manchester Massachusetts

The next winner of a Special Prize Boasts a record every bit as broad and as impressive as was his who has just preceded her - but as I have already demonstrated my ineptitude with cataloguing, I will not venture it again. She is a student leader, an actress, an athlete, elected an ' 'Outstanding Junior," a member of the Senior Honor Society, and a member of the Cum Laude Society at the end of her junior year. Off Campus, as on, she has intelligently championed controversial, but key causes in the public interest. Most recently, in a carefully researched and skillfully orchestrated program before the entire school, dealing with the energy issue, she provided an irrefutable case for the value fo Senior Spring Term projects when conscientiously planned and pursued:

JAMIE CRELLY PURINTON of Byfield

Then there are those who wherever they participate create the feeling that they are in it not to get, but to give; who are welcome wherever they put in an appearance because they are fun to be with and because they can be counted upon to contribute - to wit, in this case, manager and assistant coach of the third girls' basketball in her junior year; tour guide extradorinary; assistant in the Office of Admissions; Assistant Director last fall for the Drama Club's production of Agatha Christie's "The Mousetrap"; Co-Chairman of the Red Key Society; member of the Commencement Committee; general gal-of-all-work; greeter, cheerleader and cheerer-upper for the school -
LESLIE ANNE RUSSELL of Hampton, New Hampshire

Particularly to be prized in an Academy like this are those who can maintain the even tenor of their ways, earnest, loyal to their friends and to their school, standing up both against pressure to be discouraged or temptation to lord it over others. Such a one is the next recipient of a Special Prize. Dogged worker in the classroom, one of the strongest of the dormitory proctors, he has been a captain; at least three times he has recieved All-Independent School League Honors; he has been designated "Commended Student" in the National Achievement Scholarship Program for Negro Students:

ISIAH SUGGS, JR. of Lynn

The final winner of a Special Prize in 1978 has amassed an impressive record throughout the school, one hard to imagine surpassing. For four years he has stood academically at or near the top of his class, and each year at graduation-time he has captured academic honors; he is a six-time letter winner, between track and soccer, and this past fall was honored as second goalie on the Independent School All-Star soccer team, in addition to being chosen Most Valuable Player for the Governors. Managing Editor of *The Milestone*, President of the German Club, member of the joint Student/Faculty Athletic Free Term Commitee, he is one of two Governor Dummer Seniors this year to survive the competition for National Merit Scholarship and emerge - out of 1,000,000 potential candidates as one of the 13,500 finalists from whom about 25% will be awarded National Merit scholarships. This summer, as the result of his performance on a nationwide competitive examination Geoff will spend four weeks as the guest of the German Federal Government, in West Germany. Next September he will join some outstanding recent graduates of the Academy at Dartmouth College.

GEOFFERY HOWLAND WALL of Newbury

UNDERCLASS AWARDS

Each year a number of awards are presented to underclassmen - awards well and truly earned. Since these students' day in the sun is yet a year away, however, I shall as they appear this evening treat you to but a tantalizing glimpse of their virtues.

HARVARD PRIZE BOOK

The Harvard Prize Book, has been endowed by Mr. Roger B. Coulter, Class of 1913, first winner of the Morse Flag and a former Trustee of the Academy, so that it may be awarded each year in the future. The book is awarded to that member of the junior class deemed most worthy through his high scholarship and character.

Only recently has the Prize Book Committee, made up of Harvard University alumni, which sponsors recognition for outstanding juniors in more than 1500 schools throughout the nation, agreed to honor deserving young women equally with young men. And just in time, for this year she who is deemed most worthy in her class of the Harvard Prize Book award is:

ABIGAIL MANN WOODBURY of South Byfield

THE HALE SCHOLARSHIP

The Hale Scholarship was established by Dr. and Mrs. Clayton H. Hale in memory of their son, Dean Channing Hale of the Class of 1961. It is awarded to that student who, through perseverance, has shown the most improvement in the various aspects of school life and has become an esteemed contributor to the well being of the Governor Dummer community.

We have watched him in class, where he is both earnest and able; we have seen the respect in which he is held by his friends and schoolmates; we have responded to his superb talent and leadership in three sports. The deserving winner of the Hale Scholarship this year is

DEREK DEALE SPEARS of Bronx, New York

THE INGHAM SCHOLARSHIP

The Ingham Fund Scholarship was established through the generosity of the family of the late Dr. Charles S. Ingham, former Headmaster of Governor Dummer Academy, in honor of his father, the late Samuel Kellogg Ingham of Saybrook, Connecticut, to help an industrious and able student through the school.

An unassuming but admirable acheiver academically, artistcally, and a worker in all ways, the recipient of the Ingham Scholarship this year is

JUSTINE EUSTACIA COOK of West Newbury

THE FRANCIS SCHOLARSHIP

The Francis Scholarship was established by Mr. and Mrs. Clarence Francis in June 1941 in memory of their son, Richard Hawes Francis, of the Class of 1936. It was awarded each year to a student of high character who has made substantial intellectual progress and who has demonstrated a spirit of cooperation and helpfullness in the life of the school.

Vibrancy, energy, leadership, scholarship, and a supply of enthusiasm which spills over to enliven all who know her - all these characterize this year's winner of the Francis Scholarship:

KIMBERLY SAUNDERS of Byfield

THE WHITTEMORE AWARD

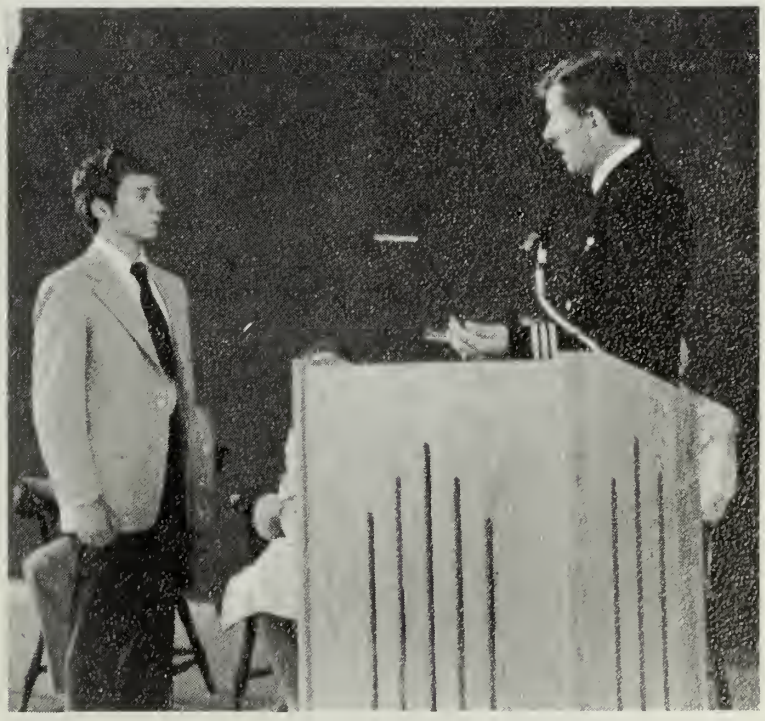
The Whittemore Award is awarded to a member of the sophmore class who through attitude and perseverance has made the best contribution to the Academy.

Now, to present this award is Scott Anderson - the winner his sophomore year - representing the Senior Dormitory Proctors.

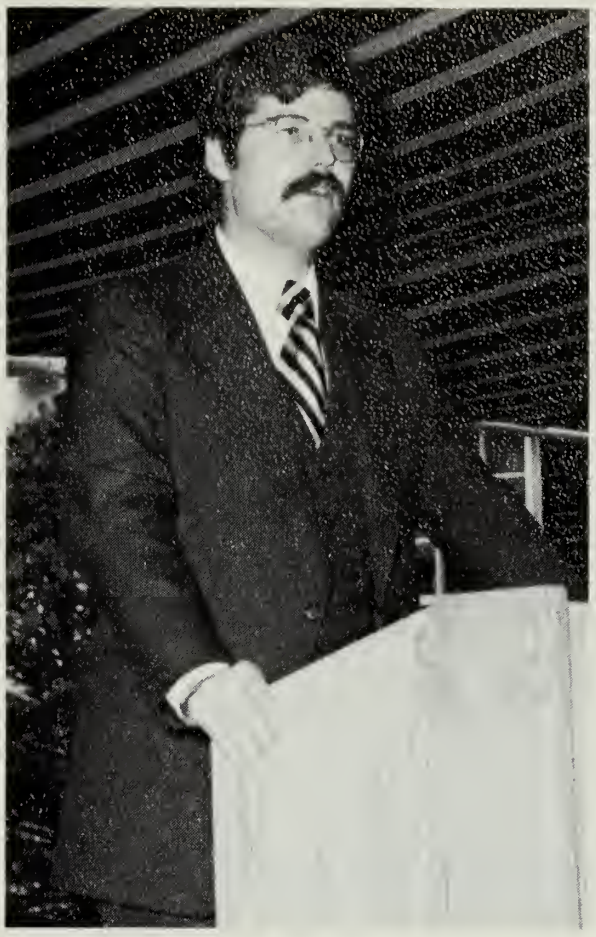
This years' winner is the type of individual who impresses you as soon as you meet him. He is the type of individual who will do something which needs to be done, without being asked. Through his positive attitude and spirit in the classroom, on the athletic field, and in the dormitory he is a leader in his own quiet way.

DANA HAMILTON JONES of
Kennebunkport, Maine

SPECIAL AWARDS



FRIDAY JUNE 2, 1978



AWARDS

BAUSCH AND LOMB MEDAL

The Baush and Lomb Medal goes to that senior who, in the estimation of the faculty, has been most outstanding in the study of science.

SCOTT ANDERSON of Byfield

COLMAN SCHOLARSHIP

The Edmund Coffin Colman Scholarship is awarded to a undergraduate with efficiency in the study of languages. The holder of this scholarship for this year will be

ABIGAIL MANN WOODBURY of South Byfield

R.P.I. MEDAL

The Rensselaer Polytechnic Institute Medal is awarded to a member of the junior class who has been outstanding in the study of mathematics and science during the year.

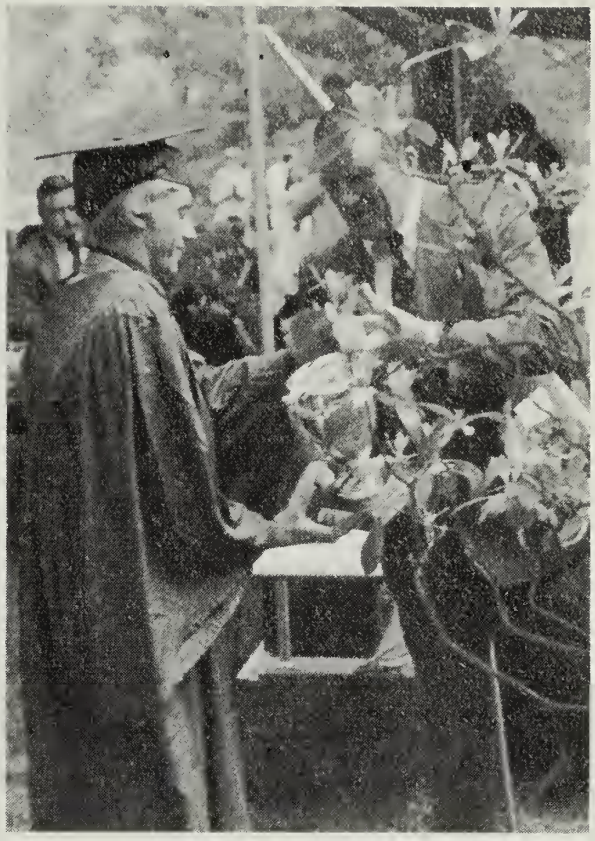
STUART RANKIN CAWLEY of West Newbury

AMBROSE AWARDS

There have been Ambroses connected with the Academy for at the very least a century. I suspect that the Ambrose Prize Speaking Awards date back to the 1890's, when Fred Marden Ambrose was a Trustee. Last night three seniors demonstrated the happy outcome of the conjoining of thought with eleoquence. They are this year's winners in the competition:

Third: THOMAS HENDRICS DRISCOL of Ipswich
Second: MARY ALEXANDRA MACAY - SMITH of Ipswich
First: JODY REGINA BAUM of Swampscott

THE THORNDIKE HILTON CUP



The Thorndike Hilton Cup was established by the Class of 1919 in memory of their classmate, Thorndike Hilton. It is awarded each year to the ranking scholar in the Senior Class. With this cup goes a silver medal.

For the past four years I have watched, fascinated, while the same four students, three boys and one girl have challenged each other for academic supremacy in this class graduating today. From the very first they have vied closely. Furthermore, throughout their careers here they have been outstanding not only within their class, but among the very top scholars in the Academy. This year - during which three more johnny-come-latelys have mounted determined attacks upon their preeminence - they, all four, still remain, like Affirmed and Alydar, no more than a neck apart.

The prized Thorndike Hilton Cup must go to one of them. Thus we have a living example of what I emphasized last night: That the honor an award brings with it stands upon the quality of the competition in which it was won. The Cup this year goes to one who though he has in the past been tied in the year-end class standing, has never dropped out of first place.

SCOTT ANDERSON of Byfield

HONORARY CERTIFICATE

While for the next minute or so I confront for a last time whether or not we are really going to let these seniors here assembled depart this verdant scene, let me temporize by fulfilling the pleasant duty of awarding a special Honorary Certificate. For this past year we have enjoyed here at the Academy the presence and participation of the latest in a delightful succession of English-Speaking Union scholars. Luke White of the Old Rectory, Widford, Nr. Ware, Herts., came to us last September from Eton College averring-and I quote from his ESU application that "The only thing I can contribute to the Americans is myself, I suppose, as an ambassador from England." Quite a substantial contribution, I think we here would agree.

Luke, a free spirit, has sported in soccer; being already adept at French, has conquered while here the first year of Spanish; flirted with photography, and otherwise dealt solidly with his academic schedule. More prominently, however, as actor, director and producer he has loomed large on the Governor Dummer stage, his characterizations ranging from an Italianate sophisticate of somewhat shady credentials to a philosophical and flamboyant Beagle hound. Thank you for a lively year, Luke, and best wishes in your progress through Exeter University.

A LETTER FROM THE EDITOR

I never thought I would live to see this day, but the book is finished. Only two weeks overdue, but what the heck, it probably would have been finished a lot sooner if I had spent as much time in the *Milestone* room as I did in the weight room.

The book is far from perfect. We did the best we could. Any mistakes are mine. We did the best we could. I would like to extend my personal apologies to the cast of *Charlie Brown*, the Trustees, and the golf team for the lack of pictures. The golf pictures were destroyed in the darkroom, and the play and trustee pictures never got taken for a variety of poor excuses.

There are a few people who should be mentioned for their assistance. Mr. Wayne Peabody and Mr. Roy Hult merit special thanks for their invaluable photographic help. Geoff Wall was irreplaceable, essentially my right hand. Jody Baum added her feminine touch to this male organization. Stu Cawley did all the art work as well as just about everything else; we reward him with this job next year, poor boy. M. Phil Graham was about the only typist besides myself. Martha Blake and Katherine Post did a great job copying over nearly half the pages in preparation for shipment. Finally, I would like to thank Steve Wall for his involuntary loan of a radio for the office.

I hope you enjoyed the book. I would be interested to hear your reactions. If you're ever in Atlanta, y'all give me a call now, ya hear!

What, me worry?

And now, the only appropriate way to conclude a yearbook dedicated to a wrestling coach (Sorry, Heb).

THE END
